Follow this link that will redirect you to the repository.
The Digital Repository of Palestine Technical University

Our institutional repositories are digital collections of the outputs created within PTUK university. Whilst the purposes of repositories are established to provide Open Access to the PTUK research output.

Communities and Collections
Shown below is a list of communities and the collections and sub-communities within them. Click on a name to view that community or collection home page.

- Conferences
- Palestine Technical University Research Journal
- Scientific Published Papers
- Thesis
- University Publication
Anyone on the website that is not logged into the system can browse the communities and collections, but they cannot start new submissions.

Choose My Dspace.

Choose the suitable collection to deposit the item into, and then click next.
Enter descriptive metadata about the Item and then click next.

* Title and Date of Issue are required.
Select the type(s) of content of the item. To select more than one value in the list, you may have to hold down the "CTRL" or "Shift" key.

Select the language of the main content of the item. If the language does not appear in the list, select 'Other'. If the content does not really have a language (for example, if it is a dataset or an image) select 'N/A'.

Click next.
Submit: Describe this Item

Please fill in further information about this submission below.

Subject Keywords:
- production information system
- production control

Abstract:

Sponsors:

Description:

To add more subject keyword click on Add More.

Enter the abstract of the item.

Enter any other description or comments in this box.

Click next.
Submit: Upload a File

Please enter the name of the file on your local hard drive corresponding to your item. If you click "Browse...", a new window will appear in which you can locate and select the file on your local hard drive.

Click Browse to open the window in which you can select the file you want to upload.

Click next.
To make sure that your file was successfully uploaded.

Your file was successfully uploaded.
The table below shows the files which have uploaded for this item.

<table>
<thead>
<tr>
<th>File</th>
<th>Size</th>
<th>Description</th>
<th>File Format</th>
</tr>
</thead>
<tbody>
<tr>
<td>test_file.txt</td>
<td>21 bytes</td>
<td>None</td>
<td>Text (known)</td>
</tr>
</tbody>
</table>

If you want to upload another file for the same submission.

You can verify that the file(s) have been uploaded correctly by:
- Clicking on the filenames above. This will download the file in a new browser window, so that you can check the contents.
- The system can calculate a checksum you can verify: Click here for more information.

Click next.
Quick review of all of the metadata that you have been entered, if you want to edit anything click on the correct button.

If everything is ok click next.
Click next.
There is one last step: In order for DSpace to reproduce, translate and distribute your submission worldwide, your agreement to the following terms is necessary. Please take a moment to read the terms of the license, and click on one of the buttons at the bottom of the page. By clicking on the "Grant License" button, you indicate that you grant the following terms of the license.

I grant Palestine Technical University’s warehouse a License
and/or a free reproduction to deposit and/or publish the material prepared by me in accordance with the policies and agreements approved by the warehouse.

If you want to read the policy click the link.

To complete the submission process, click “I Grant the License”.

Read the Policy
Submission completed successfully.

Submit: Submission Complete!

Your submission will now go through the workflow process designated for the collection to which you are submitting. You will receive e-mail notification as soon as your submission has become a part of the collection, or if for some reason there is a problem with your submission. You can also check on the status of your submission by going to the My DSpace page.
